Illnesses at school

We still have a number of cases of chicken pox. The Medical Guidance we have been given regarding absence is that children can return to school once the spots have 'crusted over'. If you have any concerns, please speak to a pharmacist or your GP.

We also have a number of children suffering with colds and/or a sickness bug.

Coughs and Colds are best managed through good hand hygiene – we've spent time talking to the children about the importance of this and we've practised washing our hands to the length of God

ensure the children are
not just dipping their
hands into a running

From Dinosaurs to
DNA

In 2017 Ely
Cathedral are running
a Science exhibition
and we have been asked
to take part in this
exciting event. We
will be getting involved
by creating lots of
fantastic pieces of art
work based around
scientific concepts.

One of our pieces of
work will involve

making a colour wheel
mobile and this is
where we would like
your help...

Please can you send in
clean plastic lids of
all shapes, sizes and
colours.

There will be a
collection box outside
the school office so
that members of our

school community can
drop them off.

Thank you for your
support.
