

PSHE

In PSHE this half term we will be focusing on healthy lifestyles. The children will find out how to stay healthy through exercise and a healthy diet.

Maths

This half term we are focusing on Shape and Fractions. We will also consolidate skills in addition, subtraction, multiplication and division.

English

During this half term we will be writing a fantasy tale based on "The Papaya that Spoke". We will also be producing some non-fiction writing that fits in with either Science or Topic.

We will be continuing to learn different aspects of grammar with a particular focus on punctuation.

Applying phonics knowledge to writing will be threaded throughout.

PE

The children will be using bats and balls.

Gymnastics – travelling and balance.

RE

Our key question this half term is "Why do Christians pray to God and worship him". We will be finding out about the importance of prayer and worship to Christians.

Music

Our topic in Music this term is called "Sounds Interesting". In this unit, the children explore how sounds can be made and changed. They identify differences between sounds (for example, difference in pitch or volume). They use and choose sounds to make their own piece of music and create graphic notation to represent sounds and when they should be played.

Science

This half term we hope to continue our work on plants. If possible the children will have chance to grow some seeds. They will learn about the basic structure of flowering plants. We will carry out investigations to answer questions about plants.

We will also be monitoring the weather and making a daily weather record.

Topic

In Topic this term we are learning about David Attenborough and Mary Anning. The children will find out about these historic characters. They will then find out the similarities and differences between these people.

Computing

This half term the children will be focusing on e-safety. The children will have chance to log on to google classroom in school.

KS1 Spring B 2021

Art / Design and Technology

In Art and Design this term the children will use colour, pattern, texture, line, form, space and shape. This can be linked to our topic of **hot and cold places** if appropriate.
