

PSHE

This term we are focusing on Healthy Lifestyles and Sex and Relationship Education.

We are also continuing to focus on roles and responsibilities within our class, school and wider community and developing a deeper understanding of respect for others.

Maths

This Term the Maths Topics we are focussing on are:

Multiplication and Division, Measurement and Capacity and Operations in the first half term. In the second half term our focus will be on Fractions, Geometry. Addition and Subtraction alongside Time and Money. There will also be some booster groups for the Year 2 children taking SATs.

We will be giving the children a range of ways of using each and every operation within the Maths curriculum.

English

This term our English is very much based around Fenland Traditional Tales to begin with. We are using the text 'Buried Moon'. We will then move on to writing a recount of our Trip around the village. Poetry, Instructions and Labels, lists and Captions will be our focus after half term. We are linking the writing focus across all areas of the curriculum. Our particular focus will be based around Talk for Writing and application of phonics knowledge.

PE

Indoor PE will be a mixture of Dance and Gymnastics this term with some input in Circus Skills and an event for the Year 1 children.

Outdoor PE will be led by Mr Baxter, the sports coach, we will be learning a variety of ball skills and team games.

RE

This term we will be continuing to focus on the story of Creation and then linking that to the Gospels following 'Understanding Christianity'.

Music

During this term we will be focusing on Fenland songs and music along with sound walks and creating our own music in line with some fenland dancing.

Science

Our Science Topics this term are Habitats and Seasons

During the first part of the term we are touching on the season we are in and what that means for the natural world.

During the second half we will continue to keep a 'watch' of the seasonal changes but be focusing on materials and how they change.

Topic

During Topic this term we are exploring Homes and Houses through 'Our Village in The Fens'. We will be looking at the history of Sutton and how it has changed over time. We will also be focusing on the geography of Sutton and looking at map skills.

Computing

This term we will be learning how to stay safe online and what we should do if we see something that makes us feel uncomfortable.

We will also be learning to make our own videos linked in with our English topics. We will also be focusing on Algorithms along with using scales in Maths.

Art / Design and Technology

This term we are focusing on houses and homes. We are using printing, designing and construction skills. skilscrate Diarhama..
