

Year 5/6 Homework Menu Autumn 2

In Key Stages 1 and 2, homework is provided in a half termly menu with a spectrum of activities that cover a range of curriculum areas. Parents are provided with this at the start of each half term and there is an expectation that **at least one piece of work is completed per week**. This is alongside, times tables, spelling/phonics.

Spellings will be shared on dojo on a THURSDAY and photos of your child's practise and one of the menu activities should be added by you to their portfolio by MONDAY each week, which will give your child's teacher enough time to acknowledge their hard work by the following Thursday. We are starting to use Google Classroom this half term so there will also be the option to submit homework there.

It is expected that each week children will learn their list of spellings tested on the following Monday. You will be given a variety of ways to practise the spellings in the front of your book as well as the look, write, cover check method.

It is a national expectation that all children will know times tables to 12x12 by the end of Year 4. These will also be tested in school to ensure they are known. We are part of the programme Timestable Rockstars and this will help your child to recall the multiplication and division facts at speed. Please encourage your child to practise them regularly by using the website or App. www.timestablerockstars.co.uk They will soon have a password.

Maths	Topic	DT
<p>Buy a small packet of sweets or raisins. How much did they cost? How many sweets/raisins did you get? . See if you can work out how much each one cost by dividing the price by the number of sweets. Now work out: What would 10 sweets cost? 100 sweets? 1000 sweets.... What about 1,000,000? 5. Using the price of one sweet as a starting point come up with a "Stunning Sweetie Sum." How many sweets for £1000? For £1,000,000? How much would it cost to give everyone in your school a</p>	<p>Can you create a game using symbols used on OS maps? This could be pairs, snap or anything else you choose.</p>	<p>Using resources found around your house, can you design and make a way of lifting water from a glass without pouring it? (A water elevation system.)</p>

<p>sweet? How many sweets could you buy if you spent all your pocket money in one year on the same sweets?</p>		
<p>Spanish and music - learn the happy birthday song in Spanish.</p> <p>https://www.youtube.com/watch?v=FaVfcAp4G1g</p> <p>Can you send a video of you singing it?</p>	<p>Maths eyes:</p> <p>Look at the pictures on the Google Slides in your class' Google Classroom. What maths can you see? You can write it on the slide. Don't forget to include your name! Can you take some of your own 'Maths Eyes' pictures in your house or out and about? Upload the picture with a few sentences to explain what you can see.</p>	<p>Science</p> <p>Look at the moon each night and draw the shape on the chart. Make note of anything else interesting you see in the night sky.</p> <p>https://drive.google.com/open?id=1UrgJLdX_TfUgm-hBJL9HyrNcnrXeBcOVg1P0R5QudP4&authuser=0</p>
<p>English</p> <p>Research an ocean dwelling creature. Can you make an information sheet to tell us where it lives, what it eats and any other information that you find?</p>	<p>Topic</p> <p>Can you draw a map of the village showing your route to school?</p> <p>You could use Google Earth to find the distance from your house to school.</p>	<p>PSHE</p> <p>Families come in all shapes and sizes. Research what a family tree is and then design one for your own family.</p>

<p>All of the subjects!</p> <p>In English, we are putting our work together to create a book in the style of the “Ology” series.</p> <p>https://www.penguinrandomhouse.com/series/OLO/ologies</p> <p>Can you add a piece of work to your class’ ‘Exploreology’ slides on Google Classroom? You might want to do it on paper and upload a photo or type on a slide.</p>	<p>English</p> <p>Watch a nature documentary about somewhere exciting, it could be a rainforest, mountain, island or anywhere you like. Pretend you are an explorer visiting this new land. Can you write a story or a diary to tell us about your adventure?</p>	<p>Topic</p> <p>Can you use Google Earth to explore a place of your choice? Can you tell us what landmarks there are? What is the land used for (houses, fields, retail)? Are there any rivers or mountains?</p>
