Parent Consultations

The online booking system for our Parent Consultations is now open. Parents can book their consultations using the same login details that were issued during the Autumn term. If you have misplaced your login details please let the office staff know and they will reissue them.

This term our Parent Consultation dates are:

Thursday 8 February 2018 between 4:30 and 7:30pm

Tuesday 20 February 2018 between 3:50 and 6:30pm

Please remember that once you've logged into the website you'll need to click on the two arrows to the right of the tab bar in order to access the booking times. **The Parent Consultation page doesn't appear straight away once you've logged in.**

We would like to see every child's parents to discuss their progress.

Parent Workshop – The Bar Model Approach

Thank you to all the parents who supported the recent Bar Model

workshops. It was lovely to have the event so well supported.

Book Fair

The Book Fair will be in school until Tuesday 6 February. It will be open at the start and end of the school day in the courtyard just outside my office.

Sutton Foodbank

From today it will be possible to drop off items for the Foodbank in Sutton here at the school.

The foodbank will accept donations of food or toiletries. These will then be used to support families within the village.

Twilight at the museums in Cambridge

This February half-term, take a leap into the unknown and explore 14 local museums and collections after dark...

Experience museums and collections in a different way, discover somewhere new, and unearth some remarkable objects.

Twilight at the Museums is a FREE after-hours event for families where museums and collections across the city turn down the lights and open their doors for after-hours fun.

With free, drop-in activities and themed trails across the venues, there is plenty for families to enjoy.

Pack a torch and experience some 'Neon Navigation' at All Saints Church, meet some Arctic explorers at the Polar Museum, set out on a scientific

expedition across the Whipple Museum, and try your hand at code cracking with the Museum of Technology.

Pick up a copy of the Twilight What's On programme from all participating museums.

Science Week – Week Beginning Monday 12 March 2018

We will be joining in with National Science Week during the week beginning Monday 12 March 2018.

The theme for our work throughout the school will be Changes.

Pupils in Yr 3-4 and the FS are asked to bring in a clear plastic bottle like the one pictured as this will be used in one of their experiments

In addition we are also collecting clean jam jars with lids on which will be used throughout the school for experiments.

Due to storage we can only accept these items during the week beginning Monday 5 March.

School Contact Details

You can contact the school in a number of ways:

1. By speaking to your child's classteacher
2. By telephone: 01353 778 351

3. By email:

office@sutton.cambs.sch.uk

4. If you just need to check out some information use our new website:

www.sutton.cambs.sch.uk

Thursday 29 March – End of Term

...and finally

At the end of this term we will be saying Goodbye to Mrs Houlder who currently teaches on Wednesday, Thursday and Friday in Ruby Class.

I know this hasn't been an easy decision for Mrs Houlder to make, particularly as she has only been here for a couple of years, but I understand her reasons for leaving and support her decision.

05.02.18.
