30 Days Wild

Sutton Primary School is taking part in this years '30 Days Wild' challenge, where the children are encouraged to take time to think about the world around them and the power of the natural environment in partnership with The Wildlife Trust.

Each day, the children will receive 'Wild Cards' that contain an activity for each day in school. They are all very simple, e.g. Looking at clouds, make a daisy chain, looking at leaf shapes. This fits in so well with learning outside and supports our current learning theme of 'Over and Under'.

Staff will be introducing optional resources such as a wall charts and worksheets, as well as sharing their achievements with me. Each day we will post the activity on school dojo so that the children at home can join in too.

We look forward to embracing this fun challenge and seeing where it takes us! Below you are able to see one of the children taking part in their 'Wild Card' that asked them to feel the ground beneath their bare feet.....even in the rain!

Crossing Patrol

You will have noticed that the school crossing patrol has resumed and is kindly accommodating our staggered opening and closing times. Please note that the blue box, which has been painted at the side of the road indicates that children and families should not enter this box. Please ensure that this box is used, to maintain social distancing for the lollipop lady and to therefore maintain her safety. Please also be aware that the patrol is there to keep children and families safe, since some children have been noticed crossing dangerously.

Delivering items to school

Please be advised that if families need to deliver any work to the school or any other paper correspondence such as letters or forms etc. that there is a letterbox on the left hand side of the door. The office team will be happy to collect items from there on a daily basis. Thank you for your co-operation in supporting our team.

Online Theatre Show for Primary School aged children

NIE - an international theatre company based in Cambridge, will be sharing online their 4 star (The Stage) family production 'Around the World in 80 Days'. The show premiered at Cambridge Junction for a 5 week Christmas run in 2014, and has since toured across the UK including London, Bristol and Peterborough! Based on Jules Verne's famous novel and combining live music, storytelling and an international ensemble. [NIA Free Family Production – Around the world in 80 days](#)

Getting Back to School – our campaign to support parents in getting their children ‘back to school ready’.

Colleagues across our Cambridgeshire and Peterborough Education & Social Care teams, and Partners, have been working on a campaign to help our parents feel supported in preparing their children for the return to school. It is aimed at primary and secondary aged children, and offers advice and gentle nudges around seven key themes. There will be graphics, animations and links to supporting resources. Cambridgeshire County Council are uploading [the content to the Learn Together website](#). The aim is to roll out one theme per week, and we will let you know once new content is uploaded.

Theme 1 is [now live here](#), giving some light touch opening headlines for parents. The 7 themes are general introduction, emotional health, anxiety and wellbeing, use of IT, sleep support, routines and boundaries, healthy eating and sustainable travel.

Headteacher roll of honour

Rose from Sapphire Class - Rose has loved dressing up in her Superhero outfit and showed that she was ready for some awesome home learning. This week, Rose has made an 'over and under' obstacle course for Superworm!

Kirsty in Emerald Class—Kirsty has kept up with her reading every day and she is often joined by her cat and several of her dolls! She made a wonderful stick puppet of the troll for her puppet show of the Three Billy Goats Gruff.

Samara in Zircon Class—Samara always goes above and beyond on the work set for home learning, this is the beginning of her dragon world and a description of the dragon world created by Sammy this week.

Mary Smith - second class passenger of the Titanic.

The night I will never forget

I was lying in my bed when I felt a sudden shudder of the ship, at first I didn't think there was any need to panic, as we had been told that the Titanic was unsinkable, all of a sudden, all I heard from outside my cabin door, was shouting that we had hit an iceberg, John and I ran as fast as we could to get to a lifeboat, there were hundreds of people trying to go in the same direction as us, pushing and shoving, the lights suddenly gave a flicker and we heard the gushing of water, all we could hear was screaming, crying and people shouting for their loved ones who they had become separated from, I held on to John's hand so tight, as I was scared of losing him in the crowd. We made our way to the staircase, which lead us to the deck of the ship where the crew were guiding us to the lifeboats. All of a sudden someone grabbed hold of me and shouted "woman and children only" I couldn't quite believe what I was hearing, my body started to shake with fear, how could I get on the lifeboat without my love, John! John grabbed me and held me and told me to get on the lifeboat.

Ella from Aquamarine Class. Ella has put lots of effort into a selection of PowerPoints and Word documents for her work on Russia and the Titanic. I have been very proud of what she has produced, especially of her diary entry.
