

Year 3 - 4 Home Learning WB 30.03.20

Turquoise, Zircon and Carnelian

Everyday there are Maths, English and Foundation tasks for you to complete. Most of these can be done independently, they may need to discuss some bits with you as they would normally have their friends to talk to in school, we are here if you need any more advice or support. English and Maths have a word document each where all the children's tasks are found.

The foundation tasks can be done in any order however, the Maths tasks are chosen by the times table your child is working on. Finally the English tasks are in a specific order to develop over the week. We will be uploading videos and other guidance on those days to support.

Day	Maths	English	Foundation subjects
Monday	<p>Timestable Rockstars https://www.topmarks.co.uk/maths-games/mental-maths-train LO: To revise division Paddling: array fact families Snorkelling: array fact families Diving: Revision of Division.</p>	<p>Task 1: Using things you have around the home, recycle box or from the garden, create a new character!</p> <p>To create a character profile using the character that you have made. (describe your character can you include adjectives, verbs and emotive language)</p> <p>Reading 1 Read your home book and choose an activity to do from the reading pack.</p>	<p>SCIENCE: https://www.homemade-gifts-made-easy.com/grass-heads.html</p> <p>Make Your Own Grass Heads Using recycled materials from around your home.</p> <p>We would love to see daily photographs or picture of how you are getting along.</p> <p>Also continue with the rain gauge although I hope it is just pictures and that the tables are still empty.</p>
Tuesday	<p>Timestable Rockstars https://mathsframe.co.uk/en/resources/resource/504/Super-Maths-Bowling-Multiplication LO: To revise division Paddling: array fact families Snorkelling: bar model Diving: chunking method</p>	<p>Task 2 Now you have your character can you begin writing them a diary, include all the cheeky things they have been up to. Can you use paragraphs and adjectives (describing words) to make your writing exciting.</p> <p>Reading 2 Read your home book and choose an activity to do from the reading pack.</p>	<p>PE: Join in with Mr Baxter on his new YouTube channel: https://www.youtube.com/channel/UCZ6VCph3Hc-upfbvKEx5sg Share pictures of all the bike rides, walks and fun things you have been getting up to in your garden.</p>

Wednesday	<p>Timestable Rockstars https://www.topmarks.co.uk/maths-games/daily10 LO: To revise division Paddling: sharing with physical apparatus Snorkelling: bar models Diving: written methods</p>	<p>Task 3 You have started your virtual travel passport, how is it travelling with your new friend. Can he send a postcard to the class on the back of your amazing art work (see the topic section).</p> <p>Reading 3 Read your home book and choose an activity to do from the reading pack.</p>	<p>PASSPORT TO TRAVEL – VIRTUALLY</p>  <p>We would like you to create postcards from all the different places around the world that you would like to virtually travel too. Research about the country and design the front of the postcard using the art from that region. On the back you can write your postcard saying what you have been up to there, maybe you have cooked a dish from that region, or taken a virtual tour of one of their museums. I will create a post on dojo so you can stamp and say where you have travelled to just like in your passport. This will give ideas to others too.</p>
Thursday	<p>Timestable Rockstars https://mathsframe.co.uk/en/resources/resource/37/placing-numbers-on-a-number-line LO: To revise division Paddling: number line Snorkelling: bar models Diving: Revision written methods of division.</p>	<p>Task 4 Continue your diary from your character, use paragraph's and adverbial phrases to describe what adventures they have been up to, here or in the virtual world.</p> <p>Reading 4 Read your home book and choose an activity to do from the reading pack.</p>	
Friday	<p>Timestable Rockstars https://www.topmarks.co.uk/maths-games/hit-the-button LO: To revise division Paddling: array fact families Snorkelling: written methods Diving: Revision of written methods of division.</p>	<p>Task 5 To continue your diary... 'Oh no your little character has escaped over night, what did they get up to?'...</p> <p>This can instead be from the point of view of your book character or from your own point of view. I cannot wait to read them.</p> <p>Reading 5 Read your home book and choose an activity to do from the reading pack.</p>
