

## Art / Design and Technology

In our art lessons we will be making camouflage pictures based on the work of the artist Liu Bolin and Henri Rousseau. We will produce a 3D picture using these techniques. We will make animal sock puppets and 3D animals.

## PSHE

We will be learning about working together and after half term our work will focus on how to stay safe.

## RE

This term we will be finding out about if people who believe in God have a responsibility to share. After half term we will find out about who Jesus was and also learning about Easter.

## PE

In outdoor PE we will be developing our throwing, catching and kicking skills. Our indoor PE lessons will focus on animal dances and gymnastics based on animal movements.

## Science

During science lessons we will be sorting and classifying animals and thinking about their needs, including habitats and food chains. We will learn about their food chains and life cycles.

*KSI*

*Animals*

## Topic

In topic lessons we will be learning about the continents and major oceans of the world. We will learn about some of the different parts of the world which animals come from and how the animals have adapted to living in those places.

## Music

Our music lessons will focus on developing our awareness of pitch using animals as stimulus. We will then use the music 'Carnival of the Animals' to develop listening and composition skills.

## English

We will begin the term by finding out about the author Julia Donaldson and her books. We will write explanations about 'fierce creature traps'. After half term we will study the book – Diary of a Wombat and write our own animal diaries. We will write non-chronological reports about animals.

## Maths

We will continue to develop knowledge of number and explore place value. We will solve calculations including working with money. The measures work this term will be about mass (weight) and telling the time. We will build on our existing knowledge of 2D and 3D shape and will explore simple fractions.

## Trip

Woburn Safari Park

## Computing

We will learn about keeping safe online. We will use our Starz + accounts to email and to make internet searches. We will use this information to make a branching database.
