Eye Witnesses

We caught up with some eye witnesses and here are a few reports.

"I was very confused when I saw Perseus on his adventure but I didn't know what he was trying to do at the time," stated a near by villager.

Perseus' mother told us that she was very worried for her son but she was extremely relieved when her son came back.

"I have been working all day however I am very happy that Perseus and his family are all happy," Farmer Jerry claimed.

Another villager named Lennith said that she saw the sparkles of the winged boots and saw that they were landing next to her feet.

Monstrous Medusa and all of her snake friends.

Perseus and his mother, Danae are now staying with Zeus on Mount Olympus where they are said to be recovering well. Meanwhile, King Polydectes has announced that the hero Perseus and his mother are officially banned from his kingdom. Perseus has been extremely grateful and thankful after Hermes and Athena gave him the equipment he needed. Will there be another monster and maybe another hero?
