

 <p>Aquamarine and Tanzanite Year 1 / 2 Summer A Overview</p>	<p><b>English</b> In English we will be looking at fairy tales that include Kings and Queens. We will have a go at changing the ending to a fairy tale. We will also be looking at writing instructions in cooking.</p>	<p><b>Music</b> In Music our topic is called “The Long and the Short of It”. We will be learning that different notes last for different amounts of time.</p>	<p><b>Maths</b> In Maths this half term we will be revising addition, subtraction, multiplication and division. We will also have another look at place value (tens and ones) and spend a week learning about shapes.</p>	
<p><b>PSHE</b> In PSHE we will be doing relationships and sex education. Lessons will be age-appropriate and will include the correct vocabulary for naming body parts.</p>	<div data-bbox="815 480 1373 555" data-label="Section-Header"> <h1>We are Britain</h1> </div> <div data-bbox="965 584 1128 948" data-label="Image"> </div>			<p><b>RE</b> Our topic this term in RE is Christianity – Pentecost. We will be looking at the key question, “How does celebrating Pentecost remind Christians that God is always with them?”</p>
<p><b>Topic</b> This half term in Topic we are comparing London and Nairobi. We will be looking at the human and physical landscapes, how they are similar and different. We will also begin to explore the history of our local area.</p>				<p><b>Computing</b> The year 2 children will continue to use Accelerated Reader to answer quizzes on their books. Children will also be set various tasks on Google Classroom to complete in school throughout the term.</p>
	<p><b>PE</b> The children will be doing PE with Mr Baxter this half term. They will be learning about kicking and striking.</p>	<p><b>Art</b> The children will be drawing and learning how to use a pencil to create different effects.</p>	<p><b>Science</b> In Science this half term we are finding out what plants need to thrive and be healthy. We will be doing an investigation to find out whether plants prefer cold or warm temperatures. We will also spend some time finding out about animals and what they need to survive.</p>
